MEMORANDUM FOR: Lieutenant General James A. Williams, U.S. Army
Director, Defense Intelligence Agency

SUBJECT: Letter of Appreciation- [REDACTED]

STAT

1. I would like to express my appreciation for the excellent work done by [REDACTED] in improving the interaction between this office and the Defense intelligence production community.

STAT

2. [REDACTED] has handled a large volume of material in connection with the National HUMINT Collection System (NHCS) and FOCUS program, and has been of great help in promoting their recognition and utilization among DoD analysts. He has made solid and original contributions which have helped shape the NHCS. His numerous suggestions for improvements to facilitate the understanding for these documents have been valuable to us and to our aim of improving communication between HUMINT collectors and analysts.

STAT

3. His selection to serve a term as a Congressional Fellow is more than merited. We will miss his excellent advice and service.
